EARLY TERMINATION CHARGE AND OTHER CHARGES

You can cancel your Inbound Standard plan at any time, although you need to provide us with a minimum of one month's advance notice. If you fail to provide us with this notice, we will bill you in lieu of providing one month's notice, except where there is a fixed term contract in place, an Early Termination Fee will still apply. This is calculated by multiplying the remaining months x Minimum Monthly Charge.

OTHER CHARGES

If one of our suppliers raises its prices in the future, this may result in the cost of your service increasing. We will let you know before this happens.
