

CRITICAL INFORMATION SUMMARY – ISDN COMPLETE

INFORMATION ABOUT THE SERVICE

The Integrated Services Digital Network (ISDN) is a digital network technology that can carry voice and data services in a digital format over the public switched telephone network. Your plan sets out the pricing that applies when you make and receive calls on your ISDN Service. We offer two types of Basic Rate services – ISDN 2 or ISDN2 Enhanced, and one Primary Rate service, ISDN 10/20/30.

Availability

You can get an ISDN Basic Rate service if your local exchange has the technical capacity to provide the service and your premises are not so far from the exchange that transmission losses are above levels we consider acceptable. There also needs to be enough local cable available.

Minimum Term

24 months

INFORMATION ABOUT PRICING

Your Minimum Monthly Charge for each type of service is set out below. You pay an additional amount for the voice and data calls you make each month.

Minimum cost

Your minimum cost will be the combined monthly charge for the services you use on your ISDN service plus connection charges. Total minimum cost \$2,148.

Early Termination Charge

If your plan is cancelled before your minimum term has ended, you'll need to pay us an Early Termination Charge (ETC). The ETC decreases by equal instalments each month that you remain on your plan and the maximum ETC you'll pay is equal to the service charges that would have been payable until the end of your minimum term.

ACT customers

If your telephone line is at an address within the ACT Government area including the Jervis Bay area of NSW, you may be charged an ACT Government Utilities Tax Charge in addition to the Minimum Monthly Charge. We charge this annually based on the number of services you have in the ACT Government area.

Other Charges

If one of our suppliers raises its prices in the future, this may result in the cost of your service increasing. We'll let you know before this happens

OTHER INFORMATION

Billing

On the 1st of each month you'll be billed in advance for the Minimum Monthly Charge and for use during the month. Your first bill will include a proportion of your minimum monthly charge, as well as the next month's full minimum monthly charge in advance. Register for online bill to view your bills online 24 hours a day, 7 days a week. With online bill reporting, you'll be able to organise and check your billing information – great for budgeting and end of financial year reporting. To register, please call us on 1800-792-151.

Connection timeframe

Once we've accepted your application we'll try to connect your phone service on the date you ask for but this might not always be possible.
